Would we be able to set it for 3:30-5?

Sorry – I missed that somehow, Rita! 3:30 will work! EPA has a few updates for the group – probably not more than half an hour of discussion on our end. Should I stick with a two hour time slot?

Hi Kristen, thanks for setting this up. Dr Ahart, the Des Moines Schools Superintendent, may not be available at this time. I'm catching up on emails and he had sent after 3 as availability Monday. Did he accept the meeting time you proposed? If not, do you think there is a way that 3:30 may work?
